

# Cleaning Care Solutions Referral Program

## Share the Sparkle & Get Rewarded

At Cleaning Care Solutions, referrals mean everything to us.

Our business continues to grow because of amazing clients who trust us enough to recommend our services to friends, family, and neighbors.

As a small thank you, we created our Referral Program.

## How the Referral Program Works

Referring someone is simple:

1. Refer a friend, family member, or neighbor to Cleaning Care Solutions.
2. The referred client schedules and completes a paid cleaning service.
3. Once the service is completed, both clients receive a reward:
  - The new client receives **\$30 off** their first cleaning service.
  - The referring client receives a **prepaid Visa Referral Reward Card**.

## Referral Reward Card

Our Referral Reward Cards are prepaid Visa cards that can be used anywhere Visa is accepted.

Referral rewards begin at **\$50 for the first successful referral**.

Additional successful referrals may increase the reward amount.

Examples:

- 1 successful referral = \$50 Reward Card
- 2 successful referrals = \$60 Reward Card
- 3 successful referrals = \$80 Reward Card
- 4 successful referrals = \$100 Reward Card

Reward amounts may also vary depending on:

- type of service booked,
- recurring service enrollment,
- promotional periods,
- and other qualifying factors.

Clients may earn up to **\$100 in Referral Rewards** through qualifying referrals.

## Eligibility

To participate in the Referral Program:

- Referrals must be new clients who have never previously used Cleaning Care Solutions services.
- The referral must be submitted before the new client schedules their appointment.
- The referred client must complete and pay for the service in full.
- There is no limit to the number of referrals you may submit.

## Reward Delivery

Referral Reward Cards are typically issued within 30 to 60 days after:

- the referred client's cleaning service has been completed, and
- payment has been successfully processed.

This processing period helps ensure that the referred cleaning service and payment were completed successfully and correctly before rewards are issued.

## Program Terms

Cleaning Care Solutions reserves the right to:

- modify,
- pause,
- or terminate the Referral Program at any time.

Fraudulent, duplicate, misleading, or self-referrals are not permitted.

Referral rewards and discounts may not be combined with certain promotions or special offers unless otherwise specified.

Submitting a referral does not guarantee service availability. All services remain subject to scheduling availability and operational coverage areas.

## Privacy

By submitting a referral, you confirm that you have permission to share the contact information of the person you are referring.

All personal information is handled in accordance with applicable privacy laws and company policies.
